The Honorable Ellis S. Johnston  
Chairman, Subcommittee on Government  
Employees' Security Program  
Committee on Post Office and Civil Service  
United States Senate  
Washington 25, D. C.

Dear Senator Johnston:

In our 15 January 1957 reply to Mr. Shear's letter  
of 4 December 1956 we indicated that certain information  
would have to await completion of a check of the records  
of the Civil Service Commission.

We have completed this check and have found that of  
the sixteen cases reported to the Civil Service Commission  
on Standard Form 77 only one has been employed by another  
Federal Agency. This case is listed as case number 2  
under the listing for the period ending 31 March 1956.

Sincerely,

STAMPED
